

**para que  
servem os  
substantivos  
coletivos?**

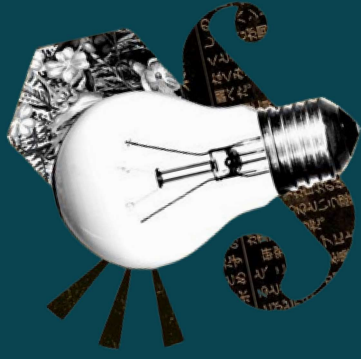

**O substantivo coletivo pode servir para determinar o agrupamento de pessoas, animais, objetos, elementos da natureza, plantas e até algumas noções de tempo.**

**O termo surgiu a partir do latim “substantivus”, que quer dizer “o que há de substancial e real em algo”**

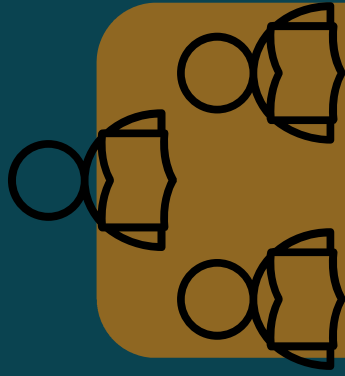

**“O substantivo coletivo costuma estar em sua forma no singular, embora designe um conjunto de múltiplos seres ou de coisas.”**
